

Chelmsford Local Food Survey

Transition Chelmsford, organisers of last years Purely Essex Food Producers Market, are planning more local food projects for 2016. We want to know your views on local food so that we can shape our plans.

Please take two minutes to complete our survey if you have *any* interest in locally produced food. Simply scan the QR code below to take part or visit <http://goo.gl/forms/GkpdQ1eOZi> in your web browser.

Your opinion is important to us. Thank you for taking part.
